1300-3p	600	1300	1401	4.4	6	0.46	12A	22
1500-3p	600	1500	1671	3.2	6	0.50	12A	22
2000-3p	750	2000	2450	3.6	12	0.65	16A	29

Model ECR 150-600kg

ECE 300-600kg Gear transmission

Model FDJM 1500-2000kg

Double shaft drive

## JIELONG Products Series

200V UPS (300-800kg),  
with/without remote start control

Model(A,B,C,D) Intelligent control  
box with standby power

Sideway retractable door motor  
(box type)

Slide motor

988 Remote Control

on/off lock box

High-class torsional spring set

Fully automatic integrated  
Australian style rolling door motor

Intelligent electrical lock box

Fireproof lock box

Double layer hall lock box

WBK2-Temperature sensing  
auto quick release
